BE A WING RIDER

UNICORN

BOOK ONLINE NOW!
www.honda2wheelersindia.com

Honda takes forward its philosophy to the next level with the Unicorn that prides itself on the perfect blend of quality, comfort and class. It is by far the most sophisticated motorcycle in its category in looks and in robustness. It is yet another creation of the renowned Honda technology.

160cc BS VI Engine

The latest innovation in engines contributes to a cleaner environment. The intelligent BSVI engine delivers an unmatched performance.

PGM-FI FUEL INJECTION

PGM-FI is a sensor based advance system which constantly ensures optimum fuel delivery to the engine as per the ride conditions allowing efficient combustion and lesser emissions.

Get Around with Technology

Maintenance free Battery

With Maintenance Free Battery, here's the peace of mind you are looking for.

Anti-lock Braking System (ABS)

Take total control of the road with efficient and effective braking control across a wide variety of riding conditions.

Get Around with Style

Premium Front Cowl

Broad front cowl with smoked screen creates a bulking front stance, chrome crown on headlamp adds a stroke of premiumness.

3D Wing Mark on Voluminous Tank

Voluminous tank with aero type fuel cap reflects the macho, bold character of Unicorn. Also the 3D Honda Wing Mark on the fuel tank amplifies its premium feel.

Signature Tail Lamp

Sharp tail lamp designed to create dual chamber impression, it creates a distinctive personality of Unicorn.

Stylish Instrument Panel

Merging three circle meter console design with blue backlit illumination gives a premium appeal.

Premium Chrome on Side Cover

Premium chrome stroke on side cover, makes people notice it from a far.

Get Around with Comfort & Convenience

Engine Stop Switch

Now no need to use ignition key to turn off the engine at red lights and other brief stops. With engine stop switch do it more conveniently by just flick of a switch.

Monoshock Suspension

With monoshock rear suspension get more stability and comfort on all types of roads and riding conditions.

Long and Comfortable Seat

715mm long seat provides comfortable ride for both rider and pillion.

Long Wheelbase

Long wheelbase gives stable & comfortable riding experience on rough roads and high speed.

High Ground Clearance

187mm ground clearance gives more peace of mind on rough roads.

Side Stand Engine Cut Off

Adds to the safety of the rider, it cuts off the ignition if the vehicle is put in gear when the side stand is engaged.

3 + 3 Years Warranty Package

Complete peace of mind with 6 years warranty package, comprising 3 years standard and 3 years optional service warranty.
